MANAGEMENT SYSTEMS CERTIFICATION BODY

This certificate is the property of Emagine Compliance, Inc. "Emagine" and is bound by legally enforceable arrangements. This certificate is related to the organizations information security management system "ISMS" and requirements of ISO/IEC 27001:2022 as defined by the above scope and in no way shall imply that the organizations products, process or services are certified. The control set(s) applied in the statement of applicability is used only for referencing the relevance of the inclusion or exclusion of controls in the ISMS and not used for conformity assessment. The certification number and any included marks shall not be used on products or documents relating to products, processes and services. Emagine Compliance will act on incorrect or misleading use of the certificate, its status or included marks. Validity of this certificate is subject to annual surveillance audits to be done successfully on or before 365 days from the date of the audit. The validation of this certificate can be verified by contacting Emagine Compliance, Inc.
