

CERTIFICATE OF REGISTRATION

Information Security Management System – ISO/IEC 27001:2022

Coalfire Certification, Inc. certifies that the following organization operates an Information Security Management System (ISMS) that conforms to the requirements of ISO/IEC 27001:2022 per the scope and boundaries statement detailed below:

COMPANY:	Environmental Systems Research Institute, Inc.	ADDRESS:	380 New York Street, Redlands, CA 92373 Unites States
----------	--	----------	---

Scope:

The scope comprises the Information Security Management System supporting the underlying operations of MyEsri, Esri Tech, Customer Provided Data Enclave (CPDE), E-Commerce and Esri Managed Cloud Services Advanced offerings. The organizational scope includes the Information Systems and Technology division – inclusive of the Enterprise Security Team, as well as the EMCS Delivery Managers and Application Administrators within the Professional Services Division. Supporting functions including Human Resources, Contracts & Legal, Industrial Security, Physical Security, Customer Support, Facilities, and Finance & Accounting provide processes and controls that impact the ISMS. These functions are considered supporting interfaces and are governed by documented procedures, defined responsibilities, and applicable controls as outlined in the Statement of Applicability.

STATEMENT OF APPLICABILITY:

VERSION: 1.0

ON BEHALF OF COALFIRE CERTIFICATION, INC.

DATE: March 1, 2026

Original Registration Date:

May 26, 2026

Certificate Issuance Date:

May 26, 2026

Expiration Date:

May 26, 2029

Booker Young, VP of Global Assurance

This certificate relates to the Information Security Management System, and not to the products or services of the certified organization. The certification reference number, the mark of the certification body and/or the accreditation mark may not be shown on products or stated in documents regarding products or services. Promotional material, advertisements or other documents showing or referring to this certificate, the trademark of the certification body, or the accreditation mark, must comply with the intention of the certificate.
